## Certificates

### deep learning with pytorch

15 Sep 2021 | By Jovian.Ai

Great course to get started with deep learning with pytorch. Have decent excercises to check the understanding. The course is available on <https://jovian.ai/learn/>

### Machine Learning

7 Apr 2021 | By Stanford University

Great course to get started with Machine Learning. Basic maths. excercises will help you understand the concepts. The course is available on <https://www.coursera.org/learn/machine-learning>

## Featured Work

[View all](#)

### ATM security

2021

Working on a Computer vision project to secure the ATM machine.
